Need Help to build you search?

Access the <u>Search Tips</u> by the link below the green magnifying glass in the search box.

Refine the search - Use the narrow filters.

Full text
Available for databases with full text documents.

Source type
Along with **Scholarly Journals**, most databases include many other types of sources.

Publication date
Drag the bar or enter the date manually.

Tip!

Use the **Subject** filter to identify results that contain the term as the topic and not just as a word appearing anywhere in the document.
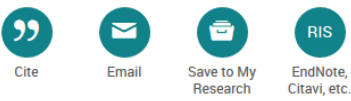

More option
Displayed at the end of each filter, use it to view additional items.
